Tournament Notes

We will follow the Ridge & Valley league rules for 2017-2018, copies of which will be available at the tournament, with the following exceptions: Each game will be 5 innings or 60 minutes whatever one comes first. For baseball only – pitchers will be allowed a maximum of 6 innings in the tournament. The pitching distance will be the permanent rubber at the Melvina field (45 feet). For softball a temporary rubber will be placed at 37 feet. Some programs might not have bats that meet the Ridge & Valley league standards. You can use whatever bats you own in this tournament but need to make a similar bat available for the other team to use if they wish. We will use three outfielders in every game with no option to use four.

Please note some rules that can cause problems if not understood.

Home plate is closed – no trying to score on a WP or PB.

Runners may **not** advance to first on a dropped third strike.

Runners may **not** leave their base until the ball crosses the plate. The penalty for this means the runner is out.

A coin toss will determine home/away. If a team leads by more than 10 runs after four innings, 15 after three or 20 after two - the game will be called. Please arrive early so we can play ahead if we get the chance. There should be room enough to warm up before your game time. No infield will be taken, when it is time to play we play. **Each team please bring three softballs and three baseballs for the games.**

Please tell your parents and fans that parking is not allowed in front of the building located on the third base side of the field. It is an apartment building and the tenants need to be able to access their homes. Parking is available toward the left field corner and along the roads.

Concessions will be available NO CARRY INS. No program is being charged for this tourney so please encourage your parents and players to patronize the concession stand.

Lastly, we need you to confirm the contact information below is correct. Is there someone we should add or take off the list? We need to communicate with people if weather becomes an issue. Since we are not awarding trophies or playing for first place we will simply cancel games because of weather. We will attempt to get every program at least one game if possible but need your phone numbers to communicate with you.
