

**CITY OF VIROQUA
COMMITTEE OF THE WHOLE
AUGUST 23, 2016**

Roll call:

The Committee of the Whole was called to order at 6:00 p.m. on Tuesday, August 23, 2016 by Mayor Larry Fanta with Alderpersons Steve Bekkedal, Marc Polsean, Cyndy Hubbard, Terry Noble, Sondra Naxi, Mike Bankes, Mike Koppa, John Montemurno and Todd Sanwick present. Also present were City Administrator John Severson, City Clerk Lori Polhamus, Engineer Sarah Grainger, Police Chief Daron Jefson, Chuck Steinhoff, Jan Rasikas and Jeff, their project contractor.

2. Presentation of site plan by Viroqua Food Coop – they would like to start demolition in September on some aspects of the project with the main project starting in the spring. There are 94 parking spots with only one entrance/exit onto Broadway. The Rusk Avenue exit is being taken out completely. The loading dock area will remain the same. There was discussion regarding identification of the turnaround area for the public with colored concrete or other markings. This area needs to distinguish the dead end street better. There are utility poles that are at the entrance that may need to be moved in order to move the turnaround area lower on Center Street. They will maintain conversations regarding this part of the project with the Council and staff. They will work on the drawings and bring back an update to the Council at their regular meeting on August 30th.

3. Period for Public Comment – none

4. Adjournment – *Motion by Alderperson Todd Sanwick/second by Alderperson John Montemurno to adjourn at 6:40 p.m. Voice vote all in favor. Motion carried.*

Minutes respectfully submitted by: Lori Polhamus, City Clerk
