MEETING ID: 852 6577 3814

MEETING CALL-IN: 1-888-788-0099

What is this meeting for? As part of the Transportation Alternatives Program (TAP) grant awarded by the Wisconsin Department of Transportation, the City of Viroqua is reviewing pedestrian and traffic safety on Main Street in Downtown Viroqua. The City is working with Strand Associates to lead the safety improvement planning process. The City is hosting a Public Meeting to share design concepts and gather input on safety and traffic improvements as well as preferred streetscapes for an improved Downtown experience.

This will be an informal and interactive meeting providing the public with an opportunity discuss:

- Pedestrian Safety and Traffic Design Alternatives
- Streetscape Concepts

This meeting is free and open to the public.

Please check the City's website in the week prior to the meeting to review the project design concepts:
